

Question40 on the Nature of Consciousness		
Experiencing Who We Are		
STATEMENT	ANSWER	LEVEL* OF TRUTH
There are many levels to what we call Consciousness	yes	infinity
Some levels have gates	yes	infinity
To traverse beyond each of these gates requires a shift in the way Consciousness is perceived	yes	infinity
To traverse past 500 to 501* requires an understanding that we will never come even close to fully understanding all that is	yes	1000
Many can spend their entire life at 499 or 500 without the courage to open to the unknown	yes	1000
To traverse past 1,000 means that we have to relinquish any idea that the level of Jesus Christ is beyond our capabilities	yes	5001
To traverse past 1,000 means that we have to relinquish any thoughts that we are in any way different than other forms of Consciousness (including Jesus Christ)	yes	5001
To traverse past 5,000 means that we have to recognize that Consciousness is ALL, including all our thoughts and emotions	yes	10,001
<i>To traverse past 12,000 we must recognize to some degree, the functionality of personal dimensions as part of the play</i>	<i>yes</i>	<i>15,000</i>
Relinquish the thought that we are an inferior form of Consciousness	yes	20,001
Until we understand that ALL is Consciousness, whole, unsegregated, unbroken Consciousness	yes	50,001
Until there is no we, only Consciousness	yes	million+1
Until there is only Consciousness, manifest and unmanifest	yes	billion+1
Until there is only Consciousness	yes	infinity
LOC = 25000		

* David Hawkins, MD PhD (incoming Level of Intention = 1000) described the gate as being between 499 and 500. My Kinesiology confirms it to be between 500 and 501. However, my incoming Level of Intention is not the usual 1000 but 1001. Connection?
