

Questions8 on the Nature of Consciousness

Nature of Evil

STATEMENT	ANSWER	LEVEL* OF TRUTH
Evil is the absence of what is creative	yes	1000
There is a difference between the "destructive" aspect of Consciousness and "evil"	yes	1000
What homo-sapiens calls "evil" is a concept used to describe the "destructive" aspect of Consciousness between the frequencies of -1000 and +50	yes	1,000
Over the level of +1000, the term "evil" has no meaning	yes	50,000
Because all evil has been eliminated by the level of 1000	no	
Because all destructive frequencies have been eliminated by the level of 1000	no	
Because, beyond -1000 and +1000 there are only creative and destructive <i>frequencies</i>	yes	million
Destructive frequencies are the absence of Creative frequencies	no	
Destructive frequencies are a range of specific manifest frequencies	yes	million
Levels of Truth between 0 and 1000 are specifically associated with Homo-Sapiens	yes	1,000
Levels of Truth can also be called "Frequencies"	yes	million
Levels of Truth/Frequencies between 1,000 and 25,000 specifically are associated with Homo-Spiritus	yes	25,000
Levels of Truth/Frequencies from -25,000 through 25,000 are associated with this manifest world	yes	25,000
Frequencies are limited to Levels of Truth less than -/+ billion	yes	billion

Because Frequencies are a form within manifest Consciousness	yes	billion
All that is manifest, is limited to a Level of Truth of less than or + one billion	yes	billion
All that beyond the Level of Truth of + or - one billion, is unmanifest	yes	infinity
